Дорогие друзья!

Международная художественная виртуальная студенческая выставка «АЗИЯ: СОДРУЖЕСТВО КУЛЬТУР» - ставший традиционным проект, направленный на укрепление добрососедских отношений между Россией и Китаем, взаимное познание наших культур. Выставка показывает, что с одной стороны, молодежь усваивает каноны академического изобразительного искусства, с другой – ищет новые пути самовыражения. Отрадно, что в эпоху глобализации и унификации культур, молодые люди верны традициям национального декоративно-прикладного творчества. Они не просто рутинно воспроизводят работы старых мастеров, а находят оригинальные решения, вплетая в произведения свое отношение к миру: молодое и яркое. Работы, представленные на выставке полны позитива и энергии.

Стоит отметить, что количество работ, направляемых на выставку, год от года растет. Надеемся, что и в будущем эта тенденция продолжится.

Поздравляю всех участников и победителей выставки и желаю им дальнейшего творческого роста, удачи и новых побед.

Заместитель Председателя Правительства Хабаровского края – министр культуры края **А.В. Федосов**

Уважаемые участники выставки!

Вот уже пять лет Амурский гуманитарно-педагогический государственный университет при поддержке Министерства культуры Хабаровского края организует художественную выставку, которая аккумулирует плоды творческого поиска студенческой молодежи России и Китая.

Знакомясь с культурой другого народа, лучше понимаешь не только другого человека, но и самого себя. Виртуальная выставка «Азия содружество культур» способствует развитию доверия, уважения и добрососедских отношений между нашими странами.

Уверен, что этот проект будет иметь дальнейшее развитие и содействовать межкулыпурному диалогу и обмену опытом. Желаю всем участникам выставки новых творческих успехов и открытий в мире искусства!

Ректор ФГБОУ ВО «АмГПГУ» ***В.С. Бавыкин***

Дорогие друзья!

В современном мире актуальна интеграция культур при сохранении их самобытности. В этой связи важно формирование у молодого поколения нового взгляда на мир – толерантности, созидательности, позитивности. Конкурс «Азия: содружество культур» объединяет образовательные учреждения разных стран и позволяет достичь высокой цели – это укрепление взаимного доверия между народами путем эмоционального сближения через искусство.

Конкурс позволяет оценить творческий потенциал студентов, задачи художественно-эстетического воспитания и образования, поддержки и самореализации талантливой молодежи.

Желаю всем участникам плодотворной работы, интересных открытий, новых достижений и творческих полетов!

Председатель Правления
